Rohina Baser a member of our A-AWA team assisting refugees with grocery shopping - "I remember when we came to America as refugees. It was tough, but there was always hope - hope that one day I will be able to help another refugee as myself."

Our case aides and our project manager are doing an amazing job for the LSSNCA legal clinics to help new comers help with their Asylum cases.

Eid

Eid Mubarak! On July 8th - 9th millions of Afghans around the world celebrated Eid Al-Adha. Eid Al Adha is a powerful reminder of our common humanity and obligation to care for one another. During this time of celebration, Afghans put their desires aside to assist those in need.

Additional Updates

Bake Sale

On June 30th, A-AWA GAK based in Orlando organized a bake sale to fundraise for the newly arriving refugees. The bake sale was successful and a total of \$150 was raised.

Serge Team

A-AWA Staff Serge Team is one of the leads for LSS Asylum clinic. During the month of July, the team assisted clients in two sets of workshops. Staff Serge team supported two days of Dari workshop and two days of Pashto workshop. A-AWA Staff Serge has five Case Aides. Each Case Aide helped five to six clients in completing their Asylum documents. One Asylum document for one client takes more than ten hours.

It is a lengthy process, but we are more than delighted to help and rescue our Afghans through their Asylum journey.
